Paséa Hotel & Spa

DENISE SCHRIEDEL - N2 STAFF WRITER

People love lounging by the pool with friends and family, enjoying life's simple pleasures, especially by the ocean. The Pasea Hotel & Spa provides luxurious accommodations, dining and an ocean-front heated pool surrounded by colorful cabanas, a lounge & jacuzzi. The **NINTH ISLAND POOL & BAR** is a special place to swim or simply soak up the shimmering Pacific Ocean while enjoying a craft cocktail.

There are several dining options on the property including contemporary coastal cuisine at **TANNERS**, with open-air indoor & outdoor seating offering the best views of the Pacific Ocean & colorful sunsets. The cuisine is both sustainable & locally sourced with many seafood entrees to choose from. You must try the Coconut Forbidden Rice which has the most unique flavor served with Miso Glazed Campbell River Salmon. The **TREE HOUSE LOUNGE** is a chic rooftop experience, featuring cabanas, swinging chairs, and lush sofas, with DJ entertainment and an ever-changing menu of handcrafted and SoCal-inspired drinks and bites.

The Pasea Resort & Spa offers several room types for an intimate rendezvous with your significant other, or family-style guest rooms. The **OCEAN VIEW STUDIO** has stunning views of the Pacific Ocean and the Huntington Beach Pier from your private balcony. *"Bathed in sea and sand tones, these stylish studios offer a plush king bed with custom Frette® linens, intoxicating luxury Aarna Spa bath products, and exclusive hooded sweatshirt robes and flip-flops."* I had the pleasure of staying in the **OCEAN VIEW GUEST ROOM**, relaxing on my private balcony, sipping wine & enjoying the breathtaking views of the ocean. Upon arrival, each room offers a complimentary bottle of Trinitas wine, unlimited high-speed wireless internet, access to both fitness center and business center, two pairs of Paséa branded flip-flops, in-room coffee & tea, two daily bottles of water, beach cruisers, beach chairs, umbrellas, beach towels, and our

beach butler service, for your perfect beach day! You can also purchase a beach picnic basket which is available at the snack & gift shop.

The most enjoyable experience at this hotel resort is always a day at the **AARNA SPA**. This tranquil space has an indoor jacuzzi, steam room, and an outdoor spa garden sanctuary with fire pits and cabanas. The **SEA STONE MASSAGE** “relieves deep muscle tension with a personalized combination of oils, heated stones and targeted massage techniques.”

This is truly a serene location for mind, body and spirit.

For the fitness-minded, **Love, Sweat, Paséa** is a dedicated in-room fitness channel hosted by **Katie Dunlop** of @ **LOVESWEATFITNESS** and available in every room,

with workout options that include a centering yoga session filmed in the Balinese-inspired Aarna spa garden and workouts featuring different resort backdrops that focus on everything from abs, legs and booty, arms and back, and full-body HIIT (High-Intensity Interval Training).

Your enhanced mood after this luxurious seaside excursion will continue with **INIS** ... one of the best ocean-inspired fragrance and seaweed-enriched body care collections, plus coastal lifestyle jewelry, home decor and more, available at the Pierside Pavilion in Huntington Beach, or visit www.inis.com.

Perhaps this will be one of your most pleasurable poolside experiences this summer at the Pasea !
